

VIGON'S SAFETY POLICY

Be Sharp

know policies, procedures, and complete trainings to make the safe choice(s) and do not take shortcuts.

Be Assured

that Vigon is committed to providing a safe and healthy work environment where local, state, and federal laws and regulatory requirements are the foundation of everything we do to protect our team!

Be Focused

on your surroundings, your tasks, and any potential new hazards. Vigon strives to eliminate hazards and reduce risks. Every employee has the right to stop work if a hazard makes the area or task unsafe.

Be Engaged

with your Safety program(s) – participate by suggesting changes and improvements to make programs more robust and effective. Make safety your priority.

Be SAFE
